

## *Speaking Opportunities*

### **Great Speakers Make Great CLE Programs**

ApexCLE continually seeks out highly qualified presenters. If you have extensive experience in an area of the law or have written or spoken on a legal topic of interest, we would like to work with you to create a CLE program.

*We provide copies of your program on DVD to use in your marketing campaign.*

This is not only an opportunity to share your expertise and earn CLE credit, but also a marketing opportunity with the potential to reach over 80,000 lawyers. We recognize your experience and have a revenue sharing agreement to compensate you for your contribution.

We handle all production aspects of the program and have editors, postproduction artists and graphic artists to create the highest quality program in a standardized format for distribution to participants. Please contact us to discuss how we may work together to create a superb CLE program.
